REMARKS

The specification has been amended to claim priority to the identified PCT and European patent applications and to amend the specification and claims to better conform to U.S. practice. The amendments to the specification and claims are based on the application as published under the Patent Cooperation Treaty (PCT) as International Publication Number WO 2004/114197 A1, a copy of which is submitted herewith.

Please enter this amendment prior to calculating the fee in this case. Applicant respectfully requests substantive examination on the merits.

Respectfully submitted,
